

I drew to part them: in the instant came  
The fiery Tybalt, with his sword prepared,  
Which, as he breathed defiance to my ears,  
He swung about his head and cut the winds,  
Who nothing hurt withal hiss'd him in scorn:  
While we were interchanging thrusts and blows,  
Came more and more and fought on part and part.  
Till the prince came, who parted either part.

LADY O, where is Romeo? saw you him to-day?  
MONTAGUE Right glad I am he was not at this fray.

BENVOLIO Madam, an hour before the worshipp'd sun  
Peer'd forth the golden window of the east,  
A troubled mind drave me to walk abroad;  
Where, underneath the grove of sycamore  
That westward rooteth from the city's side,  
So early walking did I see your son:  
Towards him I made, but he was ware of me  
And stole into the covert of the wood:  
I, measuring his affections by my own,  
That most are busied when they're most alone,  
Pursued my humour not pursuing his,  
And gladly shunn'd who gladly fled from me.

MONTAGUE Many a morning hath he there been seen,  
With tears augmenting the fresh morning's dew,  
Adding to clouds more clouds with his deep sighs;  
But all so soon as the all-cheering sun  
Should in the furthest east begin to draw  
The shady curtains from Aurora's bed,  
Away from light steals home my heavy son,  
And private in his chamber pens himself,  
Shuts up his windows, locks fair daylight out  
And makes himself an artificial night:  
Black and portentous must this humour prove,  
Unless good counsel may the cause remove.
