

He often went out alone, and when he came back you were never absolutely certain whether he had had an adventure or not. He might have forgotten it so completely that he said nothing about it; and then when you went out you found the body; and, on the other hand, he might say a great deal about it, and yet you could not find the body. Sometimes he came home with his head bandaged, and then Wendy cooed over him and bathed it in lukewarm water, while he told a dazzling tale. But she was never quite sure, you know. There were, however, many adventures which she knew to be true because she was in them herself, and there were still more that were at least partly true, for the other boys were in them and said they were wholly true. To describe them all would require a book as large as an English–Latin, Latin–English Dictionary, and the most we can do is to give one as a specimen of an average hour on the island. The difficulty is which one to choose. Should we take the brush with the redskins at Slightly Gulch? It was a sanguinary affair, and especially interesting as showing one of Peter’s peculiarities, which was that in the middle of a fight he would suddenly change sides. At the Gulch, when victory was still in the balance, sometimes leaning this way and sometimes that, he called out, “I’m redskin today; what are you, Tootles?” And Tootles answered, “Redskin; what are you, Nibs?” and Nibs said, “Redskin; what are you, Twin?” and so on; and they were all redskin; and of course this would have ended the fight had not the real redskins, fascinated by Peter’s methods, agreed to be lost boys for that once, and so at it they all went again, more fiercely than ever.

The extraordinary upshot of this adventure was—but we have not decided yet that this is the adventure we are to narrate. Perhaps a better one would be the night attack by the redskins on the house under the ground, when several of them stuck in the hollow trees and had to be pulled out like corks. Or we might tell how Peter saved Tiger Lily’s life in the Mermaids’ Lagoon, and so made her his ally.

Or we could tell of that cake the pirates cooked so that the boys might eat it and perish; and how they placed it in one cunning spot after another; but always Wendy snatched it from the hands of her children, so that in time it lost its succulence, and became as hard as a stone, and was used as a missile, and Hook fell over it in the dark.

Or suppose we tell of the birds that were Peter’s friends, particularly of the Never bird that built in a tree overhanging the lagoon, and how the nest fell into the water, and still the bird sat on her eggs, and Peter gave orders
