J.M. Barrie (1860 - 1937) was a British author best known for Peter Pan, a whimsical tale about the boy who never grows up and his adventures in the magical world of Neverland. The story explores themes of childhood, imagination, and the desire for eternal youth.

Peter Pan has been in the public domain for many years, leading to numerous adaptations and creative works. Let's celebrate Barrie's enchanting storytelling and the significance of public-domain literature!
