

As I intended, for it wrought on her  
The form of death: meantime I writ to Romeo,  
That he should hither come as this dire night,  
To help to take her from her borrow'd grave,  
Being the time the potion's force should cease.  
But he which bore my letter, Friar John,  
Was stay'd by accident, and yesternight  
Return'd my letter back. Then all alone  
At the prefixed hour of her waking,  
Came I to take her from her kindred's vault;  
Meaning to keep her closely at my cell,  
Till I conveniently could send to Romeo:  
But when I came, some minute ere the time  
Of her awaking, here untimely lay  
The noble Paris and true Romeo dead.  
She wakes; and I entreated her come forth,  
And bear this work of heaven with patience:  
But then a noise did scare me from the tomb;  
And she, too desperate, would not go with me,  
But, as it seems, did violence on herself.  
All this I know; and to the marriage  
Her nurse is privy: and, if aught in this  
Miscarried by my fault, let my old life  
Be sacrificed, some hour before his time,  
Unto the rigour of severest law.

PRINCE    We still have known thee for a holy man.  
Where's Romeo's man? what can he say in this?

BALTHASAR    I brought my master news of Juliet's death;  
And then in post he came from Mantua  
To this same place, to this same monument.  
This letter he early bid me give his father,  
And threaten'd me with death, going in the vault,  
If I departed not and left him there.

PRINCE    Give me the letter; I will look on it.
